

“As an alumnus of CSU, Fresno, I would like to congratulate the California State University system on its 50th anniversary. Since its inception, CSU and its 23 campuses have played a critical role in the educational, economic, and cultural development of California and our nation. In the years ahead, I look forward to continuing my strong support and advocacy of the CSU system as it trains the leaders and entrepreneurs of tomorrow.

Costa graduated from California State University, Fresno, in 1974 where he earned a Bachelor's Degree in Political Science.
